NINE COMES OUT OF SLUMP AND SCORES TWO DECISIVE WINS

St. Francis and Hamilton Bow to Rejuvenated Blue Team

TOWNE AND WITHAM STAR ON MOUND

Whitney Makes Five Safe Hits and Runners Pilfer Bags in Big Rally

The varsity jumped out of its batting slump on Friday and defeated Hamilton at Clinton, knocking the first pitcher out of the box in the third inning with six hits chalked against him, and hammering the second Hamilton pitcher for seven hits in the remaining six innings for a total of nine runs. Towne pitched air tight baseball and allowed the Hamilton batters only five hits during the entire game. Only one Hamilton batter advanced beyond second base, when Morris knocked a home run in the seventh inning for Hamilton's only score of the game. "Slick" Whitney had no difficulty in connecting with Axtell's delivery for he rapped out two hits in the first two innings, and three more in the remaining innings for a total of five hits out of five times at bat. Middlebury scored six runs in the first three innings.

It was undoubtedly the best game of the season from the Blue's standpoint. Only six Hamilton batters hit to the outfield and Middlebury collected a total of eight stolen bases, while the infield nabbed the Hamilton base runners every time.

Papke led off for Middlebury and went to first after being hit by a pitched ball, Whitney singled, and Novotny laid down a sacrifice bunt, while Conley singled, scoring Papke, and went to second on an error. Banks sacrificed, scoring Whitney, Klevenow was hit by a pitched ball and stole second, while Conley came home. Collins struck out and the Blue and White batsmen had three runs on the slate. "Frankie" Towne pitched four balls to the first three Hamilton batters. Each man hit the ball, but the smooth-working infield threw them out at first in rapid succession.

In the second inning, Rice walked and went to second on Towne's sacrifice hit; Papke was hit by a pitched ball and Rice went to third. Then Whitney lined out a hot single and Papke scored and Rice was put out at

Eight Freshmen Compete For Parker Prizes Tonight

At Mead Memorial Chapel tonight the eight freshmen chosen last week to compete for the Parker Prizes will speak. Under the coaching of Professor W. E. Davison and Dana S. Hawthorne '26, the freshmen have obtained excellent form and will produce a worth-while program tonight.

Following is the program of the speakers:

Student Government, R. E. Comiskey.
Our Southern Neighbor, P. E. Dempsey
The Drug Evil, A. B. Hilliard.
A Naval Hero, V. S. Keller.
The Crisis, G. G. Lavery.
The Child Labor Amendment, D. L. Lindsley.
The Lesson From Russia, R. B. Stout.
Immigration, I. A. Weiss.

Musical selections will be given by Marjory Cross '28, Beryl Gaylor '25, and Dorothy Saltmarsh '25.

CHEMISTRY SCHOOL LISTS NEW COURSES

Special Course in Teaching Of Chemistry Is New Feature

The Chemistry School of the 1925 Summer Session will open for registration on June 27. A new and distinct feature of the school this year is the offering of a specially attractive and practical course for teachers of Chemistry. This special course is designed to assist the beginner in solving the many problems that confront him in his teaching experience and to give him the opportunity of studying the methods of specialists in this field.

The course will consist of assigned readings, reports, discussions and practice teaching. Some of the matters to be considered are: Equipment and maintenance of a laboratory, the selection and use of textbooks and materials, suitable experiments for lecture and class work, methods of teaching and presenting certain important principle and ideas, services that a teacher of science may render to the community, and the use of the literature. This course should appeal to all teachers of science, whether experienced, or not.

Professor Voter, Dean of the School, and the present staff with two additional instructors will have charge of the courses. Professor R. J. Gettens of Colby College will have charge of the first year course and the course in Industrial Chemistry. Professor Corson will give the two regular courses in Organic and Professor Scott, the courses in Qualitative Analysis as usual. Dr. Harvey A. Neville of the University of Illinois will have charge of the new Teachers' Course.

Unusual interest is being shown in the school this season and the number of registrations is larger than usual. It is expected that a larger number of premedical students than usual will take advantage of the courses in Organic. The new illustrated bulletin, describing the courses in detail has been issued and copies may be obtained on application to Dean Voter.

Three one- act plays were presented in the Playhouse last night and three more are to be presented Thursday. Those last night were produced under the direction of J. Audrey Clark '26, Paul Benedict '26, and Hazel Hughes '26.

ATTORNEY-GENERAL TO BE COMMENCEMENT SPEAKER

John Garibaldi Sargent, attorney-general of the United States and a native Vermonter who ranks second in national prominence only to his chief, President Coolidge, has agreed to deliver the Commencement address here on June 16, it was announced by President Paul D. Moody this morning. Sargent, who is a native of Ludlow, a noted lawyer and former attorney-general of the state, became a national figure last March when he was named by President Coolidge and the Senate to be the head of the department of Justice. He is known as an exceptionally interesting speaker and Middlebury is distinctly honored in securing him. His address will be delivered at the Commencement exercises at the Congregational church at 10:30 a. m., Tuesday, June 16.

COACH MOREY GIVEN HONORARY "M" AND BAG FOR WORK HERE

Pres. Moody Makes Presentation in Behalf of Students

Coach David B. Morey, who will leave Middlebury at the end of the present baseball season after completing a term of five years as head coach of football and baseball here, was presented last Wednesday morning with an honorary "M" and a traveling bag as a token of the appreciation of the student body for his services to the College in raising the standards of athletics here and in bringing fame to the teams which have represented the Blue and White on many fields of battle. The presentation was made by President Moody in behalf of the undergraduates.

The storm of applause which the students gave Coach Morey as he came down the aisle in Mead Memorial Chapel lasted for several minutes and was in itself an expression of the love and respect which the student body have for him. In acknowledging the gift the coach expressed the desire to give something to the college in return for what he had derived from it. "I have found," declared Coach Morey, "that association with one's fellow men and that what one can do for them are what bring real happiness. In fighting against great odds for Middlebury I have formed attachments which will last throughout my life. I will always remember the devotion and loyalty which the men showed in our games against the large colleges when the odds were heavy against us. Those memories will go South with me, and until we meet again, Good-bye."

SORORITY RUSHING RULES CHANGED

Three weeks of modified rushing, beginning with the Thursday on which college opens, one week of closed rushing with one evening party allowed to each sorority during this time, and three days of open rushing, conducted in the present manner of open rushnig, is to be the plan followed by the sororities in the fall. Various plans have been considered by the Pan-Hellenic Council but this seems best to solve the difficulties.

TWO NEW ENGLISH PROFESSORS COMING

Mr. Perrin and Miss Studley To Leave Middlebury In June

Two important changes in the faculty of the English department of Middlebury were announced at the president's office today.

Mr. Porter G. Perrin, who has been assistant professor of English for the past three years, has resigned his position to take effect in June in order to devote the coming year to study. Mr. Perrin's position here will be filled by Mr. Harry H. Clark who has been an instructor in freshman English at Yale during the past year. Mr. Clark is a graduate of Trinity college in the class of 1923 and is a member of Phi Beta Kappa and Sigma Nu fraternities. Last year he took his M. A. at Harvard winning the historic Bowdoin prize in English. Articles by Mr. Clark have been published in "Modern Language Notes," "Studies in Philology," and "The Saturday Review of Literature."

Miss Marion H. Studley also of the English department will leave Middlebury at the close of the present academic year to accept a position as head of the department of English of the women's division of the University of Alabama at Montevallo, Alabama. Her position here will be taken by Mr. Douglas S. Beers now a student in the graduate school of Yale. Mr. Beers is a graduate of Yale in the class of 1919 and received his M. A. from there in 1921. Since then he has had practical experience in teaching in Watertown High school, Watertown, Conn., and is registered for his Ph. D. at Yale this coming June.

Women's Glee Club Sings in Vergennes

The Women's Glee Club made its first out-of-town trip when it went to Vergennes last Wednesday evening. Practically the same program that was sung in Middlebury was presented at Vergennes. In addition, a trio, composed of Lucia Goldthorpe '25, Cleone Comings '27, and Adelma Hadley '28 rendered two selections. The club is to sing in Rutland Friday evening.

Mr. and Mrs. Henry S. Thomas '20, announce the birth of a son, Henry, Jr., on May first.

BLACK PANTHER TO FIGHT FOR NINTH STATE TRACK TITLE

Coach Brown Predicts That Friday's Meet Will Be Closest in Years

VERMONT BASEBALL MEN ARE TO RUN

Green and Gold in Supreme Effort to Annex the Championship

The Black Panther trackmen will try to annex the State Track Championship on Friday on Porter Field for the ninth consecutive year. The splendid showing of the team against Hamilton and R. P. I. has shown to some extent the power of the team. And in spite of the fact that the Blue trackmen were outscored by the strong Amherst team, the outlook is far from gloomy. It seems probable that Middlebury will capture most of the places in the dashes and middle distance events. Happ, Firman, Carboy, Donald will in all probability be the logical men to score in these events, while Dodd, Robinson, Arnold, Whiting and Lathrop should furnish stiff competition in the distance events. Captain Cass, Whitney, McLaughlin, Westfall, McCann and Eddy will be entered in the weight throwing events, in which Vermont is particularly strong. In the pole vault, Whitten of Vermont appears to be the logical winner by virtue of his record of 11 feet four inches in the Eastern Intercollegiate Meet at Springfield several weeks ago. Bulbulian of Middlebury is counted on for a second.

Lately rumors have been heard to the effect that Vermont is planning to enter her baseball men in the meet. These rumors have been confirmed in a recent issue of the "Vermont Cynic," in which it was stated that Coach Collins of Vermont has consented to allow any or all of his baseball men to enter the meet in hopes of providing a stronger combination. Cayward, and Fogg will probably be entered in the sprints and Burns in the discus throw. In addition to these men it is quite certain that other members of the baseball squad will be entered. Vermont appears to be weakest in the discus and two mile grind as well as in the sprints, although nothing can be determined definitely by comparative records. Captain Hill of Vermont and Captain "Al" Cass of Middlebury will be the leading men in the hammer throw and a close duel is expected between the two. Harms, whose shoulder has been bothering him since football season, is working

Tickets Go on Sale For Dress Rhearsal of "Mr. Pim"

The first production of "Mr. Pim Passes By" will be given on the evening of June fourth at the College Playhouse. Since this is an extra production and will be in the nature of a formal dress rehearsal, all tickets will be fifty cents. There will be no reduction to members of the Dramatic Club. Tickets will go on sale at Frost's on Monday, June first. All seats are reserved. Tickets for the final production on June fifteenth will be one dollar subject to the usual reduction to members of the Dramatic Club. It will be of great assistance to those having Commencement in charge if all students except members of the Senior class will avail themselves of the first opportunity to see the play.

A Championship at Stake

The rivalry between the Black Panther and his old foe, the University of Vermont, promises to be at its very height when the state track meet takes place here on Friday. Competition between the two institutions has been unusually keen this year with honors almost evenly divided. The track meet offers the last opportunity of the year to win a coveted victory over an old rival as well as the last chance for seniors to uphold the colors of their alma mater.

If history repeats itself, Middlebury will hold another state championship when the meet is over on Friday. Track is the one sport in which the Blue has reigned supreme over a long period of years, the state title having been brought home eight consecutive times. Championships in other sports have changed hands from time to time but the supremacy of the track has remained constantly at Middlebury. Vermont is somewhat chagrined at this fact and is going to make an unusually determined effort to carry away the honors. Although her chances of doing so are somewhat better than in recent years, the wearers of the Blue are going to fight doggedly to retain their laurels. Weakened seriously by graduation last June, the squad has been gradually built up and developed with the result that a strong and well-balanced group of athletes will participate in the state meet. It has taken months of the most careful coaching to develop a good team out of the material which was at hand. Whether Middlebury wins or loses, the major part of the credit for any of the team's good performance this season must go to Coach Brown. If another state championship comes to Middlebury, he is the man to be thanked.

If every man on the squad works his hardest for every available point and does the best that he knows how, there is little doubt but that Middlebury will close the athletic season against Vermont and Norwich with a victory and will win the track championship for the ninth consecutive year.

The Dramatic Club

Progress is the aim of civilization and the goal of humanity. The progressive people of the world are those who accomplish miracles, for nothing is ever gained by standing still.

A splendid example of this fact is the Middlebury Dramatic Club, an organization which has been by far the liveliest and most progressive of all organizations on the campus this year. We wish to congratulate Professor Cady and the members of the club on the most successful season that the Dramatic Club has had within our knowledge of college history. The new plan of procedure backed by enthusiasm and cooperation has proved very practicable, and it has provided a splendid working basis for the club as well as weekly entertainment for the members.

More than ever this year the townspeople have been given opportunities to judge and appreciate the efforts of the college dramatic club. The impression given by the plays open to people other than college students has been favorable and satisfying. The students themselves have derived much keen enjoyment from the worthwhile productions, while active members have also had added experience in the mechanics of the drama. This experience is priceless and it constitutes the greatest value of the club. The opportunities provided for the appreciation of the drama and for the growth of constructive criticism ought not to be neglected by any student. Drama is a thing in which we are all interested, and it affords us not only much pleasure but also a splendid chance to broaden our acquaintance with the best things of life.

Canvassing for next year's members has already begun. About two hundred students have signed for membership so far. In order to facilitate the immediate and smooth operations of the club in the fall, it is desirable that the authorities of the club know how many people wish to become members. The Dramatic Club will continue to be a great success, and you cannot afford to lose the opportunities which membership offers.

The Casual Observer

By Philip Space

The Ed, himself, came along this morning and says to me, "Phil, old man, ole man, ole man, ole man, I wish you'd write something that's worth reading once in a while. This slush you're turning out is terrible."

"I know it, boss," says I, "But its in keeping with the paper."

And now would you believe it, he's sore at me. Gee, it's funny you can't suit some folks no matter how hard you try to please them.

Anyhow, just to be spiteful and make him appreciate my worth, I'm not going to write one of those cute little poems this time.

No, you needn't beg. I refuse to be persuaded.

NOW WHO COULD THIS BE!

Merrily I roll along
Everywhere I like,
Others have to tread the lawn
I go on my Bike.

You know, Colonel Bigelow, (Shucks, he ain't a colonel at all but don't tell him I told you) but anyhow he has scored a big success, a knock-out as Mr. Wolfskehl, the sports ed, would say. It's this. He's cornered the sheep market. Saw him driving a big gang of 'em up College street yesterday morning.

"Hi Col. ole Kid", I pipes up, "Whatcha gonna do wid alla sheep?"

"Humph", snorts he in basso profundo (Riggoletto), "Seniors gotta have sheepskins, ain't they?"

So you see, there the Col. with his usual foresight has provided for the skin you love to touch. Ainnatnice?

NOW WHO'D HAVE THUNK THAT?

"Radio advertising," reports Prof. P., "Is still up in the air."

SUFFICIENT UNTO THE WOMAN IS THE REASON THEREOF

Why is it that when you ask a woman her reason for some statement she frankly assures you, "Oh just because?"

Yeh, why is it?

A FAIR EXCHANGE IS NO BARGAIN

CAESAR WAS AMBITIOUS

According to a recent issue of THE VERMONT CYNIC, our brothers by the lake have high hopes of cleaning up the honors in the State Track meet here Friday. The article which points out the good qualities of their men ends up by suggesting that there is a chance to take revenge on the Blue for last fall's football defeat.

Evidently "Mush" Klevenow and his men made rather a lasting impression on the boys from the institute.

Have you started studying the exams yet? Neither have I.

THOSE ADVERTISING BLUES

"As the man who owns one," was the reply received by the frosh who attempted to bum a cigarette.

"The skin you love to touch," murmured the Senior as he clutched his diploma.

"Keep that schoolgirl complexion," growled the stag as the import deposited some powder on his coat collar.

"Good to the last drop," whistled the aviator as his machine whirled dizzily toward the earth.

As Barney Gruggel says "Undt gar og og Sed dar et heliegrigedt yso og meg."

Don't you agree with him?

ROSALIND HIGGINS IN ORGAN RECITAL

Assisted by Women's Glee Club, Delightful Program Is Given in Chapel

An unusually enjoyable recital was given last evening by Miss Rosalind Higgins, organist, assisted by the Women's Glee Club in Mead Memorial Chapel at 7 o'clock. Miss Higgins showed her skill and exquisite interpretatio s especially in Dawn by Jenkins and in the third section of the Rogers Suite, the Toccatta. The work of the Glee Club is worthy of much praise. Its rendering of The Green Cathedral by Hahn was splendidly done. The program is as follows:

Four Thousand Americans To Study in France in 1926

American University Unions Active in Making Arrangements For Students in Foreign Lands

Professor Henry Carrington Lancaster, Director of the Continental Division of the American University Union, estimates that there will be four thousand American students in French Universities and other Institutions of learning this year. In September Professor Lancaster will be succeeded in the Directorship by Professor J. D. M. Ford, of Harvard University. The Assistant Director is Dr. H. S. Krans, who will be glad to give helpful information at the office of the Union, 173 Boulevard St. Germain, Paris.

The London office at 50 Russell Square offers similar facilities and arranges for students to obtain reading tickets for the British Museum Library, the Record Office, etc. Dean C. M. Gayley, of the University of California, will continue to act as Director until September, when he will be succeeded by Professor R. M. Wenley, of the University of Michigan. The Assistant Director is Mr. R. H. Simpson, who has prepared a pamphlet "Guide for American Students in the British Isles" which may be obtained by application to the Secretary of the Union, Professor J. W. Cunliffe, Journalism Building, Columbia University, New York City.

Students who are planning to visit Europe in 1926 will be interested in a Summer School which is being organized for American students at Trinity College, Dublin, in the summer of that year. Particulars may be obtained from Dr. Bernard, Provost, Trinity College, Dublin, who is to visit the leading American colleges this summer in connection with the project. This will be the first summer School in the British Isles which will be organized on the American plan and for which a number of American colleges and universities have already agreed to give credit to their students.

Copies of the 1926 Kaleidoscope are still available. Alumni may secure copies of this remarkable year book by writing to Stanley S. Sargent, circulation manager, at the Sigma Phi Epsilon House. The price is five dollars, parcel post, prepaid.—Adv.

The class in geology 2 left for West Rutland this noon to make a field trip through the marble quarries. Mr. Jackson, the geology instructor, is in charge of the trip.

Rev. Henry Lincoln Bailey of Longmeadow, Mass., will deliver the address at Vespers Sunday. Mr. Bailey graduated from Middlebury with the class of 1886 and is a member of the Middlebury chapter of Delta Upsilon, and Phi Beta Kappa. In 1889 he was ordained and went to Madura, South India, as a missionary, A. B. C. F.M. Since 1901 Mr. Bailey has been pastor of the Congregational Church at Longmeadow. He has been the author of many book reviews in the "Springfield Republican", and of several poems.

COMMENCEMENT NOTES

'75—F. G. Swinnerton and Lawrence Phelps are all packed up for their 50th. That's a goodly percentage; one or two more and '75 will be in the running for the McCullough Cup.

Here are some more of the faithful ones: James L. Barton '81, Thomas W. Noonan '91, R. O. Wooster '95, J. E. Stetson '00, F. B. Miner '02, Marshall J. Root '13, P. W. Ferguson '16, Harold E. Hollister and Webster E. Miller '17, Ted Carpentier, Guy Christian, Sandy Moreau, Gilbert Thomson and Emmie Ross, all of '20, Bob Brokenshire and E. L. Robinson '22, and Bliss and Timberman of '23.

The final program of Commencement activities will be in the mail shortly. Watch for it! The announcement printed in the CAMPUS of May 13 antedated the one mailed to Alumni, and accordingly should not be followed.

'14—"Printed Salesmanship", an illustrated magazine devoted to the buying and selling of printing, in its May issue, contains an interesting article by John T. Bartlett, Jr., '14, of Boulder, Colorado. The article contains a detailed description of the Middlebury Alumni Calendar, which the author belives would serve as a model for a useful commercial calendar. Several plates were made of the different pages of the calendar pad and used in the body of the article.

Chi Psi Scores Win In First Tilt for Title

Chi Psi took the measure of D. K. E. Monday in the first of the championship interfraternity baseball games, Higgins twirled good ball and the men behind him hammered out four runs for a 4-1 win. Rice was on the mound for the losers and also pitched good ball only to see several errors in the sixth let in three runs.

The Dekes rallied in the ninth and put men on second and third with one out. Higgins was equal to the occasion and fanned Clowar and forced Furbush to fly out to end the game.

Chi Psi had defeated Sigma Phi Epsilon and D. K. E. had won over the Neutrals in the semi-finals of the series.

CASS AND DONALD MAKE NEW MARKS

Establish College Records in Javelin and Half Mile

Middlebury entered only three men in the New England Intercollegiates at Tech Field, Cambridge, last Friday and Saturday and meeting some of the best track men in this section of the country, failed to score a point. The Blue's showing can hardly be called unsuccessful however for two college records were broken. Captain Cass hurled the javelin 150 feet, 4½ inches to smash the record established by Eddy '27 last season. "Bill" Donald, who has won the 880 in every dual meet this season, met some stiff competition in his event, the winner breaking the meet record by running the distance in 1:55. Donald missed out by about a foot in attempting to place fourth for a point but broke the college record by a full second, his time being 2:01 1-5. Bowdoin and Boston College tied for first place in the meet with a total of 24 points each.

Biologists Have Happy Time on Breadloaf Outing

Overcast skies had on effect on the spirits of the jovial throng of biology students who went up to Breadloaf Inn last Saturday afternoon. Several generous friends contributed the use of their cars and all who could not thus be accomodated found room in the truck. A rousing baseball game in which Professor Barney distinguished himself as a home run king, was the feature of the afternoon. Later on a big fire was kindled in the open fireplace of the little theater and the crowd gathered around and sang special biology songs written for the occasion by Ruth Dodge. When eats were announced there was a general rush for the kitchen where the hungry crowd feasted on potato salad, bacon, hotdogs and coffee. Cheers and songs kept the party in high spirits on the return trip. Professor Longwell and Charlie Vose '25 were in charge of the trip.

Chi Psi's Pound Out Victory in First Game

In a hot and tingling game the Chi Psi's opened the interfraternity baseball season last week with a win over the Alpha Sig ball tossers. The game went into extra innings before the Chi Psi's emerged winners 15 to 13. Druggel proved to be the hero of the game for it was his double that scored the winning runs in the ninth. The Alpha Sigs led for the greater part of the game only to see a rally in the seventh tie the score. Brosowsky made one of the longest hits ever seen on Porter Field when he hit over the fence for a home run. Knowles and Collins started the game but neither lasted thruout the contest.

VESPER SPEAKER DEFINES MANHOOD

Rev. Clifton H. Mix of Worcester Makes Appeal For True Goodness

"The one thing needful in the world today," asserted Rev. Clifton H. Mix of Worcester, Mass., who spoke at chapel service Sunday, "is Christian manhood and womanhood. We need the kind of man who cannot be bought, sold, or scared, who is too valuable to be hired, and who says what he means and means what he says. The world is waiting for the type of man who faces the inevitable bravely, is not discouraged by thwarted hopes, but trusts the wisdom of the divine plan, does not shed tears over lost fortune but is always hopeful buoyed up by his faith in the Father."

Taking as a text Ephesians 4:13 "Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of Christ." he continued:

"There is no true, worth while life which is not connected with Jesus Christ, the light and life of the world. The greatest potentiality in the world is the religion of Jesus. He needs you and His work will never be complete without you. There are hard tasks waiting for real men and you are needed now.

"It is through following Jesus Christ that true goodness is developed—the goodness which gives a man the power to say 'I will' and 'I won't' and make good. The goodness which pushed David Livingstone, John Ruskin, and Florence Nightingale on to relieve humanity in their varied ways. Christ made goodness greatness and no greatness will remain unless connected with Him."

Wiley and Ellsworth To Be Officers of Undergrad

The Undergraduate Association at its annual elections last week Tuesday chose Gordon E. Wiley '28, of Glens Falls, N. Y., as its secretary for the coming year, and Carl J. Ellsworth '27 of West Hartford, Conn., to be its treasurer. A delay in the counting of the ballots prevented these results from being announced in a previous issue of the CAMPUS.

Wiley was prominent on the freshman football team last fall and is in line for a berth on the varsity next year; he is a member of Alpha Sigma Phi and Delta Tau.

Ellsworth, transferred to Middlebury from Dartmouth last fall, and is a member of Kappa Delta Rho fraternity.

An interesting sidelight on the compulsory chapel controversy at Amherst college was revealed in a recent issue of The Student, the official news publication of the college, when it published a record of faculty attendance at chapel from March 9 to April 25. The period covered 26 chapel services. In connection with the statistics printed The Student said: "Out of 70 faculty members an average of less than six attended daily. Out of 26 services, on the average each faculty member attended approximately two." In other words, it was shown the average cuts used by the faculty were 24 out of a possible 26 services.

The statistics further disclosed that three members out of the 70 attended more than one half of the services, five out of 70 more than 10, and only nine more than four of the services. Fifty-nine members or 84 2-7 per cent attended less than four services. In concluding, the article stated: "More than half, that is 39 men out of 70, or 55 per cent of the faculty, never attended a chapel service.'"

The number of "cuts" allotted undergraduates is 12 a term for freshmen and sophomores and 16 a term for juniors and seniors. The increase in the upper classmen's allotment was recently voted by the faculty following moves made last January by the student association, acting through an undergraduate committee.

"The Patchwork Quilt," one of the one-act plays presented at last Thursday night's meeting of the Dramatic Club, centers about an old lady whose mind wanders so that she cannot remember where she has placed the deed to the farm which is so desired by her son and daughter. When left alone with a beloved patchwork quilt however, the old lady dreams of the past and we see how her husband gave her the deed on her wedding day and how, some years later, she sewed it into the one white square of her patchwork quilt. The deed is quite within the reach of the son and daughter but, because of the gaudy and old fashioned colors of the quilt, they order it to be taken away and the deed remains unfound. Mr. Thompson and Miss Sprague played the parts of son and daughter commendably. Wee Miss Carmen Lacalle was very dear in her double role and we wish to say thank you to her for taking that part in the play. Miss Cate was a lovely bride and was equally charming as the mother of Emily. And Mr. Lindsley is not undeserving of praise. Miss Eleanor Frost '26, directed the play and the audience agreed that she made of it a success.

"The Turn of a Hair" is a one-act comedy with a hairdresser's parlor as its setting. The hairdresser, it seems, has all the qualities of a sympathetic listener and her clientele tell her all manner of trials and tribulations. A suddenly married young girl, her cross mother-in-law and her distressed mother all chance to be at the hairdresser's at once and overhear each other's confidential chats. This causes much excitement! Miss Holden, playing the role of hairdresser, had a certain air of naturalness. Miss Tupper was not at her best, but her manner and her voice inflections were praise-worthy. Miss Baldwin might have put more of herself into her part and had she done so we think there would have been no losses of self control. Miss Wright was very good indeed; and Miss Kirk's part was rather too small to give much chance for intelligent criticism. Miss Verna Scott '25 coached "The Turn of a Hair" and we think she managed very well a play that was not easy to produce.

WOMEN ENGAGE IN SPRING ATHLETICS

Track and Volley Ball for Freshmen; Interclass Tennis and Baseball

On the afternoon of May 22, a track meet was run off by the women of the freshman class in an official manner, the playground girls acting as referees, scorers, timers and field judges. The events included the running broad jump, high jump, 75 yd. dash, low hurdles, baseball throw, and three-legged race. No records were broken.

Later in the afternoon a baseball game was played between the freshmen team and a mixed team of sophomores and juniors, the freshmen being defeated 18-1. The mixed team was necessitated by the fact that W. A. A. has been rigidly checking the attendance of those coming out for voluntary sports, and those having attended less than half of the practices are made ineligible for the teams.

The tennis games have taken the form of a ladder tournament which includes both the freshmen and the upper classes. The games are being played off nearly every day.

An unusual amount of interest in volley-ball has been displayed among the women of the freshman class this spring, perhaps accounted for by the fact that all who have elected tennis, track or baseball for two times a week, report the remaining day for volley ball unless taking social dancing. A series of games have been played in the various sections and the winning teams are playing with teams of other sections. The nine o'clock division won from the eight, and meets the three o'clock division on Monday. The two losing teams will meet after that. Later there will be selected 14 players considered to be the most skillful, and these players will have a final game, thus closing the season.

Witham Will Try to Turn Back Springfield Batters

Springfield comes to meet the Blue baseball team Saturday at Porter Field. Witham who already holds a win over the Y. M. C. A. college will twirl and should turn in his fourth victory of the season. Hasseltine who has been out of the last few games on account of an injury will not appear in uniform again this year and Klevenow will hold down first base. Morey's new infield combination with Collins on third and Conley behind the bat is working well, the team havin won two games since it made its appearance.

TENNIS TEAM IS DEFEATED TWICE

Springfield and Wesleyan Score Wins Over Netmen

Middlebury met its first defeat in tennis this season when the racket weilders went down before Springfield and Wesleyan. Playing in Springfield on Thursday the Blue went down to defeat by the score of 4-2. The result was not decided till the final match had been played and only a narrow margin separated the two teams. Captain Rich playing Captain Tung in the first singles lost after winning the first set 6-1. Hickcox turned in two points for the varsity for after turning in a victory in the singles he paired with Twichell to win in the doubles. Hindes and Twichell both went down to straight set defeats the former losing to Rivers without capturing a game.

Wesleyan was victorious Friday, winning all but one match for a 5-1 score. Middlebury took the first doubles when Hickcox and Rich won after a hard battle. Captain Rich was the only man to make a showing in the singles but after taking the first set 10-8 he lost the next two for the match. Hindes playing Schweiker lost 6-2, 6-1 and neither Twichell nor Hickcox won a set.

The tennis team makes its first bid for another state championship for Middlebury when the team meets Vermont at Burlington on Thursday. Prospects are bright for a victory and although U. V. M. has played more matches than Middlebury the results give the Blue a slight edge. Captain Rich should turn in a victory and with three more men Hickcox, Hindes and Twichell playing singles they should take a good share of the matches. In the doubles Rich and Hickcox look like a sure winner with the other two men pairing up for the second combination.

On Friday the team meets Springfield here in a return match. Middlebury should get a tie in this match for although the Y. M. C. A. hold a 4-2 win over the Blue the match was close and the home courts will be a big advantage.

INTERESTING FACTS OF HISTORY
George Washington and His Commission

On July 3, 1775, Gen. George Washington took command of the colonial forces at Cambridge, Mass., within the shadow of Harvard College. This event will be appropriately celebrated on July 3, 1925.

The commission, which made George Washington "General and Commander-in-Chief of the Army of the United Colonies" by vote of the Continental Congress at Philadelphia, is dated June 19, 1775, and is signed by John Hancock, who was then President of Congress.

This commission was the first historic document signed by John Hancock and next to the Declaration of Independence, signed by him the next year, is the most important.

The original engrossed copy of the Washington commission can be seen in the Library of Congress. A photographic copy of this commission, as well as a facsimile of the Declaration of Independence, has been reproduced by the John Hancock Mutual Life Insurance Company of Boston.

The John Hancock is particularly interested in insuring college men and women and in obtaining college graduates for the personnel of the field staff.

Nine Scores Wins From St. Francis and Hamilton

home. "Slick" proceeded to steal second and third, and "Joe" Novotny singled. Whitney romped across the plate for Middlebury's fifth run. Conley was put out on an infield fly to the first baseman.

Hamilton squeezed out a single hit in the second half of the frame, but Towne made two strikeouts and Morris flied out to Collins.

Middlebury scored again in the third inning when Klevenow singled, stole second and came home on Collins single. The fourth, fifth and sixth innings were scoreless. Morris made a circuit clout for Hamilton in the seventh after the Black Panther batsmen had added two more runs to the score following Papke's three bagger and Whitney's double. Whitney went to third after doubling and scored on Novotny's sacrifice fly. Papke crossed the plate in the ninth for the final tally after he had singled and reached second on a passed ball, scoring on Whitney's single. Courteau, the second Hamilton man to reach second, did not have a chance to score as the next three men up were put out by the infield thus ending the game.

Team Drubs Brooklyn Collegians

Errors at critical moments combined with bunched Middlebury hits in the last few innings won for the Black Panther a 6 to 1 victory over St. Francis College on Porter Field Wednesday. Jack Witham pitched very careful ball, and with somewhat erratic support behind him, held the visitors to six scattered taps, only two of which came in the same round.

Shifts in the Blue line-up because of illnesses gave the college nine a handicap at the start of the contest. And a strong wind that blew across the diamond did not make fielding any easier. But despite these difficulties, Dave Morey's wards watched the breaks and hit the ball for a win.

It was a St. Francis batsman who carried off high honors, Hennigan with three safe smashes in four chances. But "Slick" Whitney and "Joe" Novotny collected two apiece to run him close seconds.

"Luke" Collins, a freshman, playing his first game at third, made a good showing in the position left vacant when Conley was forced to catch for Kilbride. Collins pounded out a lively double in the sixth and took some bad hops at his sack.

The day's best catch was made by "Don" Banks in right when, with a man on first, he pulled down McWalter's long drive in the eighth. "Slick" Whitney and "Mike" Papke disputed honors for one catch which dropped between them, but they made up for the miscue by placing two double plays in the summary.

Music and Decorations Are Fine at Delta Upsilon Dance

The Middlebury Chapter of Delta Upsilon held its annual formal dance at the chapter house Saturday evening. Dancing began at six o'clock and supper was served at seven in a Japanese room. The second floor, where the dancing took place was decorated in the fraternity colors—gold and saphire blue. In the center of the main room was an electric display of the six fraternities on the campus while the orchestra was neatly obscured behind a box-like arrangement in which the seven stars of the fraternity were featured. The music for the gala affair was furnished by Jimmie Kalteux and his orchestra from Schenectady, N. Y.

Among the out of town guests for the dance were the Misses Winifred Baker, of El Paso, Texas; Frances Palmer, of Keene, N. H; and Dorothy Davenport, of Rye, N. Y., and Mr. and Mrs. Bruce Coolidge of Rutland.

The representatives were: Mr. Henry Happ, Alpha Sigma Phi; Mr. Melvin Livingston, Beta Kappa; Mr. Whitney Gorham, Chi Psi; Mr. Donald Frederickson, Delta Kappa Epsilon; Mr. John Britnell, Kappa Delta Rho; Mr. Albert Cass, Sigma Phi Epsilon and Mr. Richard Rapport.

The chaperones were Mrs. Ruth T. Hay, Miss I. Maude Patch, Professor and Mrs. Arthur Brown, Professor and Mrs. Frank W. Cady, Professor and Mrs. Perley C. Voter and Mrs. Maude O. Mason. The committee consisted of George B. Clark, Chairman; Mr. James C. McLeod and Mr. Arthur Whiting, jr.

State Track Meet Here Friday to be Close

(Continued from page one)

out in the pole vault and shot put again, and Fogg and Prentice are Vermont's chief hopes in the jumps.

Thus, with the elaborate preparations being made by Vermont and the probable entry of a fairly strong team by Norwich, the Middlebury track men are facing strong competition, which will tend to make the score between Middlebury and Vermont a very close one. A victory over Vermont would split the honors in the state championships, with Middlebury holding football and track and Vermont baseball and basketball.

Coach Brown, in a statement made to the CAMPUS late yesterday, said, "I predict that the State track meet Friday will be the closest in years. Vermont is doing everything in her power to win from us. Our team is not as strong as last year's and has been weakened by injuries somewhat but has done better than we had hoped for before the season opened. The outcome of the meet will be a toss-up until the last event is over."

Over a hundred girls enjoyed the Y. W. C. A. Bacon Bat which was held last night.

The new Undergraduate Association officers were installed last night.
